Wind Energy

05 - 07 April 2022

From 5 to 7 April 2022, more than 7,000 participants and 300 speakers will gather in Bilbao (Spain) for the [WindEurope Electric City](#). This is an opportunity for these players to present their global vision of the **development of wind energy in Europe** and their solutions, in a **European context of energy transition**.

IFPEN will present through its [Carnot IFPEN Ressources Energétiques](#) and will exhibit [its solutions along the offshore wind value chain](#).
