10 - 13 October 2023

IFPEN is looking forward to meeting you and discussing [its different types of partnerships](#) on the Axelera stand at the forthcoming POLLUTEC show, the annual international trade fair for equipment and services for the environment and ecological transition, to be held from 10 to 13 October in Lyon.

Did you know? IFPEN strives to support start-ups and SMEs in their R&D projects, and offers two types of partnership, adapted to their needs and the maturity of their projects.
