📅 **19 - 22 May 2019**

From 19 to 22 May will be held, in San Antonio (USA), the **AAPG Annual Convention & Exhibition 2019**. This convention is one of the prestigious events for the geoscience community, which annually attracts some 7,500 professionals from more than 72 countries.

IFPEN will presents its offer in basin modeling (the **JIP Dors** & **Cardio** or the **web service GeoAnalog**), in reservoir characterization (workflow **SmartAnalog**, **Cats**) and in CO_2 capture and storage

Come visit us on **booth 347**.

To find the program of the IFP Group posters & presentations.
