IFPEN is getting actively involved in the European Sustainable Development Week

with a view to promoting the Sustainable Development Goals (SDGs) among employees in line with this year's official theme: "Strengthening people's capabilities and ensuring inclusion and equality". The SDGs in the spotlight are SDG 4 (Quality Education), 8 (Decent Work and Economic Growth), 10 (Reduced Inequalities), 13 (Climate Action), 16 (Peace and Justice, Strong Institutions) and 17 (Partnerships for the Goals).

Awareness-raising events on sustainable development issues such as road safety and energy efficiency are also being organized at the IFPEN sites in Rueil and Lyon.
